**HIGHLIGHTS**

- \* Steve Cromb marking his name on the "nearest the pin" marker in the Club Comp.
- \* Garry Mouat obviously only carries a 7 Iron - two nearest the pins.
- \* "Lost his stake" miller spent most of his time in th trees and still won!

- \* Garry XXXX checking the insurance policy on the clubhouse on the 18th.
- \* Graham Harding and Wayne Martin sneaking up the 18th with the buggy lights on – spy has night vision glasses and reported all was ok.
- \* Collette and Kerry elegantly advancing down the fairways. Sure beats looking at Romper Stomper.
- \* 37 players – all turned up.  
Excellent – let's improve on it at Rosebud.
- \* Red Biro Mitchell hinting the handicapper should be free when approached for green fees. Obviously the brown paper bag "Gifts" are lacking.
- \* The "Stake" selling raffle tickets at 3 for \$2 or 4 for a dollar or something. Nod a bad salesman – the prize – a bottle of whisky given to him. A good club lad.

### LOW LIGHTS

- \* A couple of Fees Remain Unpaid – red biro is watching.
- \* Old Red Biro Mitchell will be missing a few games after Rosebud due to a slice, swing or knee reconstruction – its his choice.  
Seriously – we hope it goes well and look forward to seeing you back on the course. At least the editor now knows why he kneels to PUTT.
