Special 'WHAT THE' for the following:

- Fred and Hans, Old School Silent Generation type (what a misnomer that is) came in when it drizzled a little bit. Wow, certainly taught the soft baby boomers and Gen Y a few things about toughening up.
- Fred has tried a number of things to have his membership fees reduced, like his failed attempt to introduce the Seniors Card. However this latest attempt is his most cunning. Fred is attempting to have his fees cut in half, by having only half of him turn up... Aint going to work Fred, doesn't matter how much weight you lose, you're still paying full fees.
