HIGHLIGHTS OF THE ROUND

- * Mark Cannon missing a 3.8752 inch putt. Apparently it was short!!
- * Red biro Mitchell on the 18th with a brilliantly executed burial shot. Address perfect, swing reasonable, contact doubtful, result – 1 ball two inches underground. I think they selected his partners ball for the next shot.
- * John Franklin's 9 iron to the green 25 metres out – Did not leave the ground and went into the hole – and he won!!
- * Hit man Harding driving like a man possessed – I would hate to be a cavewoman lined up for my daily clubbing.

* Romper Stomper apparently had two cans for breakfast.

* The new raffle sales approach by "The Stake". \$2.00 each or 2 for \$2.00
Novel – Apparently he wrote his name on all the tickets and still didn't win.

* The No. 2 mystery prize won by Red Biro – 14 pre used golf balls – tastefully wrapped. Bob was delighted apparently the main reason being that several were actually white.

* The intense committee infighting for next years positions – Brendan Drew put on a masterly display of "losing the plot". Key points noted by spy who happened to be auditing the cards at the time:

- 1 Turned up late – a good start.
- 2 Did not know how many players turned up.
– We paid for the number of cards x 2.
- 3 Left the longest drive markers behind
– Stake said "Good I'll win"
- 4 Left the nearest pin markers in his car
– He came by taxi.
- 5 Trophies / vouchers – You guessed it
– the longest drive trophy forgot?

Board members were considering retrenchment until they realised his ploy –
He was lobbying for re election – Excellent – One spot is filled!!

GOLFER OF THE YEAR

Standings remained unchanged after the Ambrose event – an update will be provided after today's round – Good Luck!!

Next round – 17th October – Devil Bend – 9.45am

P.S – Your editor contacted handicapper Mitchell to see how his health was after the operation on his knee and is pleased to report –

Bob is progressing well, wearing a brace at this stage and will probably join us again at Eagle Ridge (after Devil Bend).

I advised Bob that all members would be absolutely delighted and offered our assistance to rub his knee etc.

I think I was rewarded with a 10 stroke lift in handicap – worth a try!!
